

## **How to Prepare Your Property for a Big Snowstorm**

**Here is a checklist of things you can double check that may need to be done if they are not already taken care of around your home so your property is safe from damage during a snowstorm.**

- Insulate Your Attic**
- Ventilate Your Attic**
- Examine Your Roof**
- Seal Windows and Doors**
- Clean the Gutters**
- Change the Water's Path from the Gutters**
- Stock Up on Supplies**
- Have an Emergency Sump Pump**
- Have a Lock De-Icer**
- Trim Trees Around the House**
